

List of text-books, student texts and proceedings

Institute of Organic Chemistry and Technology (since 1.7.2008)
Department of Organic Chemistry (until 30.6.2008)
Faculty of Chemical Technology
University of Pardubice

Panchartek J., Štěrbá V., Večeřa M.: *Reaction mechanisms in organic chemistry*. SNTL, Prague 1981.

Uhlíř Z., Socha J.: *Agrochemistry*. VŠCHT, Pardubice 1982.

Štěrbá V., Panchartek J.: *Kinetic methods in the study of reactions of organic compounds*. SNTL, Prague 1985.

Pytela O., Vetešník P.: *Laboratory practice of physical organic chemistry Part 1*. VŠCHT, Pardubice 1985.

Pytela O.: *Preliminary course for study of organic chemistry*. SNTL, Prague 1986.

Večeřa M., Panchartek J.: *Laboratory hand-book of organic chemistry*. SNTL, Prague 1987.

Macháček V., Panchartek J., Večeřa M.: *Organic chemistry Part 1*. VŠCHT, Pardubice 1989.

Macháček V., Panchartek J., Pytela O.: *Organic chemistry Part 2*. VŠCHT, Pardubice 1991.

Mindl J.: *Chemical literature and documentation*. University of Pardubice, Pardubice 1994.

Štěrbá V., Panchartek J.: *Reaction kinetics in organic chemistry*. University of Pardubice, Pardubice 1995.

(available in english language)

XXI. Conference of organic chemists, June 24 - 27, 1996, Opočno, Proceedings. University of Pardubice, Pardubice 1996. (proceedings)

Macháček V., Panchartek J., Večeřa M.: *Organic chemistry Part 1*. University of Pardubice, Pardubice 1996.

Macháček V., Panchartek J., Pytela O.: *Organic chemistry Part 2*. University of Pardubice, Pardubice 1998.

XXIII. Conference of organic chemists, September 7 - 10, 1998, Litomyšl, Proceedings. University of Pardubice, Pardubice 1998. (proceedings)

Macháček V., Kulhánek J., Kaválek J., Ludwig M., Mindl J., Panchartek J., Pytela O., Sedlák M., Socha J., Čegan A.: *Guide for laboratory practice of organic chemistry*. University of Pardubice, Pardubice 1999.

Pytela O.: *Chemometrics for organic chemists*. University of Pardubice, Pardubice 2000.

Mindl J.: *Fundamentals of electroorganic chemistry*. Academia, Prague 2000.

Holík M., Holý P., Ludwig M., Nevěčná T.: *Dictionary of terms in physical organic chemistry (Translation of english original of IUPAC recommendations 1994)*. Masaryk University, Brno 2000.

Macháček V., Panchartek J., Večeřa M.: *Organic chemistry Part 1*. University of Pardubice, Pardubice 2001.

XXV. Conference of organic chemists, Kutná Hora, Mai 14 - 17, 2001, Proceedings. University of Pardubice, Pardubice 2001. (proceedings)

Pytela O.: *Chemometrics for organic chemists*. University of Pardubice, Pardubice 2003.

Sedlák M., Hanusek J.: *Laboratory of organic synthesis*. University of Pardubice, Pardubice 2003.

Macháček V., Kulhánek J., Kaválek J., Ludwig M., Mindl J., Panchartek J., Pytela O., Sedlák M., Socha J., Čegan A.: *Guide for laboratory practice of organic chemistry. 2nd edition*. University of Pardubice, Pardubice 2004.

XXVII. Conference of organic chemists, Pardubice, June 14 - 17, 2004, Proceedings. University of Pardubice, Pardubice 2004. (proceedings)

Macháček V., Panchartek J., Večeřa M.: *Organic chemistry Part 1*, 4. issue. University of Pardubice 2004.

Macháček V., Panchartek J., Pytela O.: *Organic chemistry Part 2*, 3. issue. University of Pardubice 2005.

Pytela O.: *Organic chemistry, Nomenclature and basic principles. (Bachelor study programme, 1. book).* University of Pardubice 2005.

Hanusek J.: *Organic chemistry, Properties and reactivity of organic compounds (Bachelor study programme, 2. book).* University of Pardubice 2005.
