

Pricelist of services and fees

❶ The accommodated person's own appliances

It is possible to bring, place and use one's own electrical devices and appliances at the Halls of Residence only if they comply with safety standards. The owner of the device is responsible for a safe operation of the device. Placing and using one's own electrical appliances with a power up to 2000W including kettle and allowed type of fridge/freezer is possible only on the basis of the previously approved "Request on placing an electrical appliance".

A. PERMITTED appliances

curler, hairdryer, charger, electric razor, electric alarm clock, lamp
 audio - video – IT equipment
 electrical appliance with a power max. 2000W (including
 fridge or freezer in the energy class A (marked until 1st March 2021) or D (from 1st March 2021))

B. FORBIDDEN appliances

fridge without a proven energy class
 convector heater, space heater, radiant panels or other devices used for heating or air-conditioning of the room
 deep fat fryer
 electrical appliances with a power higher than 2000W
 fridge or freezer in the energy class B and higher (marked until 1st March 2021) or E and higher (from 1st March 2021)
